

IDEAL

THE ONLY CURE FOR THE INCURABLE VIRAL DISEASES

IDEAL
solution for
virus

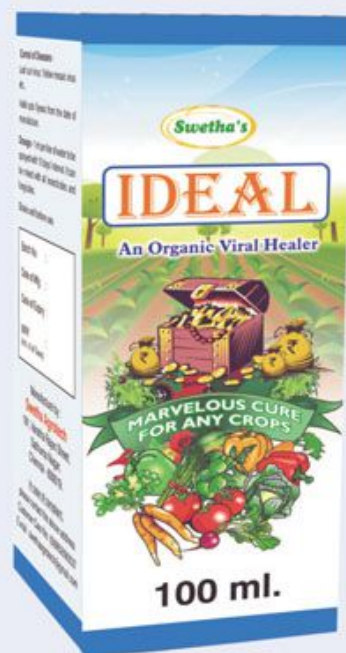

IT IS A COMBINATION OF NATURALLY OCCURRING PLANT PRODUCTS.

The 3 way action of IDEAL is as follows:

It controls the sucking insects which acts as a vector to transfer the disease

It keeps in check the multiplication of the causative organism, the virus.

It gives immunity to the plants against the invading virus.

IT IS COMPATIBLE WITH ALL THE INSECTICIDES/FUNGICIDES etc.,
